Company, Limited. REPORT OF THE COMMITTEE TO THE I INST ORDI-

MARY MEETING OF SHAREHOLDERS, TO BE HELD ATTHE OFFICE OF THE GENERAL AGESTS AT HOVER NG ON NOVEMBER 1978, 1830. The Committee have much satisfaction in being able to meet the Shareholders with a Report on

the position the Company has attained in its first

t was an impetuous year of working, which will show its satisfactory to officers and craw establishment, its extensive business connection, information baying | and its undoubted prosperity. The Company was registered under the Com-Ir. Pollard that in pany's Ordinance of 1865, on the 12th October 1865, its shares being all taken up, and the first had noted accord- call of \$1,000 per share lisving been fully paid up. Information laid be The uncont of Premis collected in Hongkong and r. to act on this in. China, from les of November 1885 to the 31st of foreign Agencies, within that period, of which the General Agenta have received advice, after de-Pollard's statement ducting all sums paid as bonus and commissions, ade out of the strip and adding interest, amounts to \$271,282.13. ald te proved that who were not pro-

This result, must be gratifying to the Shareholders as it proves that the expectations upon which the Company was founded were well grounded, Agencies dave been established at Swatow. sum, and stated that Amey Foochaw. Ningpo, Shanghai, Ohefoo, Tiensuel into Hongkong tein, Yokobama, Sual, Manila, Bangkok, Saigon, Singapore, Penang, Rangoon, Akyab, Bassein, Madras, Calcutta, Bombay, London and New York. The Committee hope that the increasing cogniss him in any business of the Company will enable them further ness; a counsel for to extend its field at operations within the judicidressing the court, ous restrictions imposed by the Articles of Assoor the other side had giation. The losses which have been paid by the Company amount to 281 488 20 and there are ngs to Fatahan, has forther claims not yet settled to the umount of here the day tefore \$41,712.08; (the latter may however be consi--Saw the latter on | derably reduced). The Committee have been fortiest him only that timate in securing the able sasistance of Mr. W. go below and smeke | Kaye and Mr. A. Sassoon as auditors for the year, fourd under presence | who have examined the Accounts which the Com-

was against his wish mittee have now the pleasure to submit for the consideration of the Shareholders. to question this wit. It will be seen from these Accounts annexed, throughout was that that after carrying forward to the next years' Asbe charterer's agents | counts \$24,000 for Premia received in respect of took charge of the right taken before October, 31st, but not terminawere some on board ted, after carrying \$41,712,98 to Suspense Account lately broke his y y- to meet claims and losses put forward, and after and put in here for writing off a portion of the Preliminary Exponses, with his agents and there remains a balance to the credit of Profit and

The Committee after careful consideration of FOR LOVDON the question, do not feel called upon to advise the THE A I British barque Shareholders to make any reserve, or provision for n expired risks, which were taken before Detaber Sist, as they are of opinion that it will, at the glose of each year, be convenient, (and consistent with which put in here for r pairs, has room lo the wolfare and interests of the Shareholders), to mederate amount of cargo, and will have immetreat these unexpired risks as taken on the first diate dispatch as above. day of each new account; and beyond carrying the respective premis for those risks forward to the new Account, to trest any loss occurring to respect of those ricks, as being chargeable to the year in which the loss is made known.

The Committee, upon the sesumption that the Shareholders will adopt this as the rule of appre-priation of risks in the Company, recommend that Paulsen, Marter, of about 5,500 Piculs carrying the sum of \$1 18,000 be declared available for dia- capacity, will have quick disputch for the above The apportionment of this sum, if appropriated For as being -o distributable, will, under the 132nd Clause of the Articles of Association has as follows: the sum \$29,500 to be carried to the Recerse Fund and invested by the Committee:—the sum of THE A 1 Bremen 3 masted Clipper achooner \$29 500, to be divided pro rate among contributing Shareholders, and the sum of \$59,000 or \$295. per share to be paid to Shareholders as General

Lies Account, in respect of transposions actually

clined of \$118 000

The absence of Mr. McClellan from Hongkong. and the denarture of Mr. Deagan to Europe will necessitate the selection of Sharebulders in their stead as members of the Committee, which under the Association, has to be done for the first two years by the remaining Members of the Committee. THE A 1 British barque In appoidance with the Articles of Association, the Meeting will have to elect Auditors, for the amount of their remuneration. In conclusion the Committee, in congratulating the Shareholders, on the prosperity and prospecte of the Company, eany it refrain from calling their

attention to the spacess which has attended the al-Interest of Shares to Chinese Residents and Traders, as all doubt as to the expediency of the estradaction of this new element must vanish bafore the highly bemedetal result to the Company attendant upon it. WILLIAM NEILSON.
